

## Awards Program Overview

It is estimated that over 2.3million sports volunteers dedicate more than 158 million hours to sport each year making them the backbone of the industry and undoubtedly some of the most passionate and selfless volunteers in the country.

West's Group Macarthur would like to acknowledge and celebrate the enormous contribution of time and effort volunteers give to sport in our community. We know that the commitment of volunteers is vital to the successful running of any sports club and that many sporting organisations would not be able to run without volunteers who fill critical roles on and off the field each week.

This year, we are pleased to introduce a NEW awards program to celebrate and recognise Sports Volunteers with nominations open exclusively to West's Sports Council members only.

This new awards program has been established to sit alongside the existing West's Sports Council Monthly and Annual Awards (which continue as normal) and acts as an opportunity to celebrate the amazing volunteers that willingly offer their time and efforts for the love of their local sport as well as those who have given continuous service over the years.

Following the awards submission process, West's Sports Council members are invited to join us at a major celebration of our volunteers at a special event, 21<sup>st</sup> May, 2022 including dinner, drinks, guest speaker, live entertainment and awards presentation.
